CHUBB®

Congratulations on your purchase of life insurance through Chubb Workplace Benefits. Your coverage is brought to you by Combined Insurance Company of America, a Chubb company, providing valuable benefits to individuals for over 90 years. To help you understand your LifeTime Benefit Term Coverage, we have provided additional information below.

LifeTime Benefit Term Product Information

Based on the assumption that the current crediting interest rate (2.50 %) and mortality premium charges continue to age 100, the policy death benefit will remain unchanged through age 99 with no premiums due after age 100. However, credited interest rates could very well increase above the current rate (2.50 %), which will provide paid-up benefits of the death benefit earlier than projected at current interest rates.

The Death Benefit has guarantees to protect the coverage. If the interest rate decreases to the guaranteed rate (2%) and never recovers to the current credited interest rate (2.50 %), the death benefit will remain at 100% of the face amount to the later of age 70 or 25 years from issue. Therefore, and as a worse-case scenario, the death benefit can be no less than 50% of the original death benefit amount through age 121 with no premiums due after age 100.

SUMMARY and DISCLOSURE STATEMENT for ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

Benefit

According to the terms of the Accelerated Death Benefit For Terminal Illness Rider, We will pay a portion of the Death Benefit to the Certificateholder upon receiving acceptable proof that the Insured is terminally ill. The benefits of this Rider are available to the Certificateholder through a Rider attached to his or her Certificate. An Accelerated Death Benefit for Terminal Illness can only be paid one time under this Rider.

Consequences of Receiving an Accelerated Death Benefit for Terminal Illness

Payment of benefits under this Rider may be taxable to the Certificateholder under the Internal Revenue Code. The receipt of an Accelerated Death Benefit may also affect the Certificateholder's eligibility to receive, or continue to receive Medicaid benefits, or other state or federal government benefits and entitlements. Before the Certificateholder elects to receive any benefits under this Rider, he or she should consult with his or her tax advisor.

Amount You May Elect

After the Contestability Period is completed, the Certificateholder may elect the amount of the Accelerated Death Benefit to be paid. The limits are outlined in the Rider, but are generally limited to the lesser of 50% of the Death Benefit provided to the Insured by the Certificate after subtraction of any previous Accelerated Death Benefit paid to the Certificateholder, to a maximum of \$100,000. We have a right under the Rider to charge an administrative fee for processing an Accelerated Death Benefit. The maximum amount of the fee we will charge the Certificateholder is \$150. It will be deducted from any payment made.

When Eligible for Payment of Benefit

The Certificateholder is entitled to receive the Accelerated Death Benefit for Terminal Illness when we have determined that the insured is terminally ill and has a life expectancy of 12 months or less.

Notice and Proof of Qualifying Event

We will require proof that the Insured is terminally ill. The diagnosis must be made by a Physician as defined in the Rider. Any diagnosis must be the result of clinical, radiological, histological, or laboratory evidence of the terminal illness. We may require a second medical opinion by a Physician of our choice at Our expense. If there is a conflict of opinion, We reserve the right to make the final determination.

Effect of an Accelerated Death Benefit for Terminal Illness

When payment of an Accelerated Death Benefit for Terminal Illness is made, it will be treated as a Lien against the Certificate Coverage. We will charge the Certificate Holder interest on the Accelerated Death Benefit paid to him or her. The maximum interest rate we may charge the Certificate Holder is the greater of:

1. 7%; or
2. the current 90 day U.S. Treasury Bill rate in effect on the date that the Accelerated Death Benefit is paid.

Premiums, without reduction, will still be payable, including any premiums for Riders. In the event that Coverage under a Certificate Lapses for nonpayment of premium, Coverage terminates and no repayment of the lien (including accrued interest) is required. Any named Irrevocable Beneficiaries or assignees must sign and date any request before we will release an Accelerated Death Benefit.

Benefit Premiums

There are no separate premiums for benefits under this Rider.

Below is a **sample illustration** of the effect of an Accelerated Death Benefit for Terminal Illness on a Certificateholder's Coverage. This illustration shows the effect on the face amount of a Certificateholder's Coverage before the Accelerated Death Benefit for Terminal Illness is elected, immediately after the election is made, and twelve months after the election is made. This illustration also assumes:

1. the Face Amount is \$10,000;
2. annual premiums are \$500.00;
3. a 25% Accelerated Death Benefit is elected; and
4. We are charging 7% simple interest on the lien.

1. **RIDER DESIGNATION:** This Rider is a group Rider which has been issued in the state of California.
2. **PURPOSE OF OUTLINE OF COVERAGE:** This Outline of Coverage provides a very brief description of the important features of your Rider. You should compare this outline of coverage to outlines of coverage for other coverages available to you. This is not the insurance contract, but only a summary of coverage. Only the group Rider contains contractual provisions. This means that the Rider sets forth in detail the rights and obligations of both you and the insurance company. Therefore, if you purchase this coverage, or any other coverage, it is important that you READ YOUR RIDER CAREFULLY.
3. **TERMS UNDER WHICH THE POLICY OR CERTIFICATE MAY BE RETURNED AND PREMIUM REFUNDED:**
 - a. You have the right to return this Rider within 30 days after You receive it, and we will refund any premium that You paid for the Rider, if after examination of the Rider You are not satisfied for any reason.

4. **THIS IS NOT MEDICARE SUPPLEMENT COVERAGE.** If you are eligible for Medicare, review the Medicare Supplement Buyer's Guide available from the insurance company.
 - a. Combined Insurance Company is not representing Medicare, the federal government or any state government.
5. **LONG-TERM CARE COVERAGE.** Riders of this category are designed to provide coverage for one or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance, or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home. This Rider provides coverage in the form of a fixed dollar indemnity benefit for covered long-term care expenses, subject to Rider limitations and requirements.
6. **BENEFITS PROVIDED BY THIS RIDER:**
 - a) **QUALIFIED LONG TERM CARE BENEFIT:** The benefit amount for Facility Care, Home Care, or Community-Based Services will be the greater of \$50 per day or 4% of the current Death Benefit, , minus any lien, of the Certificate as of the first of the month following the date the Insured became eligible for payment of the benefit. After We receive the required proof that the Insured has met the Conditions for Determination of Payment of Benefits that are described in this Rider, We will pay You the benefit amount. We will pay the benefit amount for each Certificate Month or fraction of a Certificate Month for as long as the Insured continues to meet the eligibility requirements. The benefit payments will be subject to the Remaining Accelerated Death Benefit Amount.
 - b) This Rider offers benefits for confinement in a Skilled Nursing and Residential Care Facility.
 - c) This Rider offers benefits for treatment for Home Care or Community Based Services.

- d) **ELIGIBILITY FOR PAYMENT OF BENEFITS:** Payment of benefits shall be determined based on the Insured being Chronically Ill, having a level of disability similar to the Insured's ability to perform 2 Activities of Daily Living; or being Cognitively Impaired, as defined in the Rider.

A Licensed Health Care Practitioner must certify that an Insured is unable to perform Activities of Daily Living for an expected period of at least 90 days due to a loss of functional capacity and the Insured is in claim status.

DEFINITIONS: These are some of the important definitions that will help the Certificateholder understand the Conditions for Determination of Payment of Benefits. Please review the Rider for further information.

ACTIVITIES OF DAILY LIVING. For the purposes of this Rider, each of the following six (6) activities is considered an Activity of Daily Living:

Bathing: The Insured's ability to wash himself/herself by sponge bath; or in either a tub or shower, including the task of getting into and out of the tub or shower.

Continence: The Insured's ability to maintain control of bowel and bladder function; or, when unable to maintain control of bowel or bladder function, the ability to perform associated personal hygiene (including caring for catheter or colostomy bag).

Dressing: The Insured's ability to put on and take off all items of clothing and any necessary braces, fasteners or artificial limbs.

Eating: The Insured's ability to feed himself/herself by getting food into his/her body from a receptacle (such as a plate, cup or table) or by a feeding tube or intravenously.

Toileting: The Insured's ability to get to and from the toilet, to get on and off the toilet, and to perform associated personal hygiene.

Transferring: The Insured's ability to move into or out of a bed, chair or wheelchair.

CHRONICALLY ILL INDIVIDUAL means certified by a Licensed Health Care Practitioner as:

- I. being unable to perform, without Substantial Assistance, at least two Activities of Daily Living (Bathing, Continence, Dressing, Eating, Toileting, and Transferring) for a period of at least 90 days due to a loss of functional capacity;
- II. having a level of disability similar (as determined under regulations prescribed by the Secretary in consultation with the Secretary of Health and Human Services) to the level of disability described in clause (I); **or**
- III. the Insured has a Severe Cognitive Impairment that requires Substantial Supervision to protect the Insured from threats to his or her health and safety.

- e. **BENEFITS UNDER EXTENSION OF BENEFITS RIDER.** If the rider is in force, after we have paid out the entire certificate death benefit amount, as of the beginning of the period of claim, we will increase the death benefit amount of the certificate by the death benefit amount increase subject to our determination that all the following terms and conditions have been satisfied:

- i. the rider remains in force;
- ii. the insured is alive and continues to meet all conditions of the Monthly Accelerated Death Benefit Amount for Long Term Care Rider under the Eligibility provision;
- iii. the death benefit amount of the Certificate as of the monthly date immediately following the date the Insured first became eligible for payment of Long Term Care Benefits minus any death benefit advance has been paid;
- iv. the Certificate will not be eligible for any additional death benefit amount increase until the previous death benefit amount increase has been paid;
- v. the cumulative Monthly Increase in Death Benefit Amounts under this Rider will not exceed the Multiple of the Current Death Benefit of the Certificate determined as of the monthly Certificate date that the final monthly payment under the terms of the Accelerated Death Benefit for Long Term Care Rider was made. The Multiple is shown on the Certificate Schedule or Endorsement.

The effective date of each death benefit amount increase will be the monthly date preceding the monthly date that the entire death benefit amount of the certificate was paid.

The death benefit amount increase equals the death benefit amount of the Certificate on the monthly date immediately following the date the insured first becomes eligible for Long Term Care Benefits, minus any lien, times the confinement percentage shown on the Certificate Schedule or Endorsement.

7. **LIMITATIONS AND EXCLUSIONS:** This Rider may not limit or exclude coverage by type of illness, treatment, medical condition, or accident, except as follows:

We will not pay Rider benefits for care that is received or loss incurred as a result of:

1. an intentionally self-inflicted injury, or attempted suicide; or
2. war or any act of war, declared or undeclared, or service in the armed forces of any country or units auxiliary thereto; or
3. treatment of the Insured's alcoholism or drug addiction; or
4. the Insured's participation in a felony, riot, or insurrection.

We will not pay Rider benefits if the Facility Care, Home Care or Community-Based Services:

1. is received outside the United States and its territories; or
2. is provided by ineligible providers; or
3. is rendered by members of the Certificateholder's or the Insured's Immediate Family.

The following limits apply to payment of an Accelerated Death Benefit under this Rider:

1. We will not pay any Accelerated Death Benefit before the end of the Elimination Period.
2. We will not pay any Accelerated Death Benefit such that the total lifetime Accelerated Death Benefits payable plus any Terminal Illness benefit paid exceed the current life insurance death benefit Coverage provided by the Certificate.

THIS RIDER MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH YOUR LONG TERM NEEDS.

8. **RELATIONSHIP OF COST OF CARE AND BENEFITS:** Because the costs of long term care services will likely increase over time, You should consider whether and how the benefits of this plan may be adjusted.

- a. This Rider is level and will not increase over time.

9. **TERMS UNDER WHICH THIS RIDER MAY BE CONTINUED IN FORCE OR DISCONTINUED:**

a. **GUARANTEED RENEWABILITY: THIS POLICY (CERTIFICATE) IS GUARANTEED RENEWABLE.** This means you have the right, subject to the terms of your policy (certificate), to continue this policy as long as you pay your premiums on time. Combined Insurance Company of America cannot change any of the terms of your policy on its own, except that, in the future, IT MAY INCREASE THE PREMIUM YOU PAY. Premiums may be adjusted based upon:

- a. the experience or demographics of the group to which you belong;
- b. smoking class to which You belong;
- c. the issue age of the Insured;
- d. the Coverage Date of the Certificate; or
- e. the Rider plan selected by the Policyholder.

Premiums on this Rider will not be increased based solely on the claims submitted for the Certificateholder of this Rider. New premium will be based on the Insured's age and Premium Class on the Rider's Coverage Date. We will notify You at least 45 days before a premium change. Notice will be mailed to Your last address as shown on Our records.

b. **CONTINUATION:** Regardless of the continuation or conversion options available under the base Certificate, a continuation option is available for this Rider. Only You can request termination of this Rider. Unless You do, it will remain in force as long as the Certificate remains in force. If the base Certificate is converted to an individual life policy, this Rider will then be attached to the converted individual life policy.

c. **WAIVER OF PREMIUM:** For each month You receive benefits under the Rider, Your premium for the Certificate and all Riders will be waived.

d. **TERMS UNDER WHICH THE COMPANY MAY CHANGE PREMIUMS.** We may change premium rates only if We change them on all Riders on this form in the state where the Rider was issued. The current premium is shown on the Certificate Schedule page. We will make no change in premiums solely because of claims made under this Rider, because of increased age or change in mental or physical health. While the Rider is in force, We cannot change any of its provisions, cancel it, or refuse renewal. After the first year, rates will not be adjusted more frequently than once every six (6) months and will be based on 12 months of experience.

10. ALZHEIMER'S DISEASE, ORGANIC DISORDERS, AND RELATED MENTAL DISEASES: This Rider provides coverage for insureds clinically diagnosed as Alzheimer's disease, organic disorders or related degenerative and dementing illnesses.

11. PREMIUM:

a. The total annual premium for this Rider is: \$156.00.

12. ADDITIONAL FEATURES:

- a. **UNDERWRITING:** Underwriting for this Rider will be done on the same basis as the underwriting for the Certificate to which this Rider may be attached.
- b. **IMPACT ON CERTIFICATE VALUES:** The death benefit that is payable at the death of the Insured will be reduced by the total of all Long Term Care Benefit payments. The Death Benefit will further be reduced by any Lien resulting from a Terminal Illness benefit paid. If the Insured dies while the Certificate is in force, the remaining Death Benefit proceeds will be paid to the Beneficiary. No further payments under this Rider will be made.
- c. **CONTINGENT NONFORFEITURE BENEFIT:** The contingent nonforfeiture benefit will be available on lapse should We increase the premium rates and you did not purchase the Nonforfeiture Benefit. The Contingent Nonforfeiture Benefit will be equal to the greater of 100 percent of the premium paid or 30 times the daily nursing home benefit at the time the Rider lapses.

Things You Should Know Before You Buy Long Term Care Insurance

- A long term care insurance Rider may pay most of the costs for your care in a nursing home. Many Riders also pay for care at home or other community settings. Since Riders can vary in coverage, you should read this Rider and make sure you understand what it covers before you buy it.
- You should not buy this insurance Rider unless you can afford to pay the premiums every year. Remember that the company can increase premiums in the future.
- The personal worksheet includes questions designed to help you and the company determine whether this Rider is suitable for your needs.

Medicare

- Medicare does not pay for most long term care.

Medicaid

- Medicaid will generally pay for long term care if you have very little income and few assets. You probably should not buy this Rider if you are now eligible for Medicaid.
- Many people become eligible for Medicaid after they have used up their own financial resources by paying for long term care services.
- When Medicaid pays your spouse's nursing home bills, you are allowed to keep your house and furniture, a living allowance, and some of your joint assets.
- Your choice of long term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local or state Medicaid agency.

Shopper's Guide

- Make sure the insurance company or agent gives you a copy of a book called the National Association of Insurance Commissioners' "Shopper's Guide to Long Term Care Insurance". Read it carefully. If you have decided to apply for long term care insurance, you have the right to return the Rider within thirty (30) days and get back any premium you have paid if you are dissatisfied for any reason or choose not to purchase the Rider.

Counseling

- Free counseling and additional information about long term care insurance are available through your state's insurance counseling program. Contact your state insurance department or department on aging for more information about the senior health insurance counseling program in your state.

It is evidence of the Coverage provided to the Insured. In case of differences or errors, the provisions of The Policy control. The Policy may be changed at any time by a written agreement between Us and the Policyholder.

Statements Are Not Warranties

All statements made by or for the Insured in the enrollment are considered to be representations and not warranties. No statement will be used in any contest unless a copy of the enrollment data has been furnished to You or the Insured or to the Insured's Beneficiary.

Contestability

Except for failure to pay premiums, We will not contest the validity of Coverage under The Policy after two years:

- a. from the Date of Issue; or
- b. from the effective date of the last reinstatement, if any.

Termination of Coverage on an Insured

Coverage on an Insured will terminate:

1. If any premium payable by You is not paid within the grace period. The Coverage will terminate the day after the 31 day grace period.
2. On the date We receive Your written request to terminate the Coverage.
3. On the date the Insured dies.
4. When the Insured reaches age 121.
5. On the date The Policy terminates subject to the Portability Privilege.

Portability Privilege

We will provide portability Coverage subject to these provisions.

Such Coverage will not be available for a Covered Person unless:

- 1) The Insured's Lifetime Benefit Term Insurance under the Policy terminated because the Policy was cancelled or the Insured is no longer eligible for payroll deduction; and
- 2) We receive a written request and payment of the first premium for the portability Coverage no later than 60 days after such termination; and
- 3) The request is made on a form we furnish or approve for that purpose.

Certificateholder's Rights

The Policy provides that while the Insured is living, You may exercise all rights given to You by The Policy or allowed by Us. These rights include assigning this Coverage, changing the Beneficiary, changing the Certificateholder, enjoying all The Policy benefits and exercising all The Policy options.

The consent of any Irrevocable Beneficiary is needed to exercise any right except the right to:

- a. Change the frequency of premium payments, or;
- b. Reinstate this Coverage after Lapse.

Assignment

The Policy provides that You may assign Your rights to the Coverage under the Certificate. Once We receive the original Assignment, or a signed certified copy, Your rights and the interest of any Beneficiary or any other person will be subject to the assignment. We will not be responsible for the validity of any assignment. We are not liable for any payment made by Us before We record the assignment.

Legal Actions

You cannot bring a legal action to recover benefits under Your Certificate for at least 60 days after You have given Us written Proof of Loss. You cannot start such an action after the expiration of the applicable statute of limitations from the date Proof of Loss is required.

PREMIUMS

Grace Period

You have a grace period of 60 days from each premium due date, except the first, in which to pay the premium then due. Coverage will continue during the grace period. You are liable for the premium due during the grace period.

Non-Payment of Premium Options

If You do not pay the premium due by the end of the Grace Period, the Coverage will Lapse. If the Coverage Lapses and premiums have not been paid through the Vesting Period, Coverage will terminate without value. If the Coverage Lapses and premiums have been paid through the Vesting Period it will Lapse with paid-up term insurance Coverage equal to the sum of the Guaranteed and Deferred Paid-Up Term insurance as described in the Death Benefit provision.

Reinstatement

Coverage may be reinstated, while the Insured is alive, at any time within five years after the date of Lapse subject to Our acceptance of Your application for reinstatement. However, the Coverage cannot be reinstated on or after the Expiry Date.

If You pay the premium due within 60 days of the due date (within 29 days after the end of the Grace Period) and during the Insured's lifetime, the Coverage will be reinstated without Evidence of Insurability.

If You do not pay the premium due within 60 days of the due date (within 29 days after the end of the Grace Period) Reinstatement will be subject to proof that the Insured is still insurable based on current company underwriting guidelines-. All overdue premiums must be paid with interest compounded annually at 6% from their due dates to the date of reinstatement.

THE DEATH BENEFIT

Subject to a written claim form as furnished by Us, We will pay the Death Benefit within 30 days of when We receive due proof at Our Administrative Office that the Insured died while the Coverage was in force. If payment is delayed for 30 days or more, We will pay interest at a rate of 2.5% on the amount We owe.

Death Benefits available to an Insured are determined in accordance with the Death Benefit provision of this Certificate. The Guaranteed Death Benefit, Deferred Paid-Up Term Death Benefits and One Year Term Insurance for a given Insured will vary according to Issue Age, Mortality Table, Rate Class, Premium and Non-Guaranteed Credits described in the Certificate. Given the variability of these factors, the Guaranteed Death Benefit, Deferred Paid-Up Term Death Benefits and One Year Term Insurance for a given Insured are only illustrated in the Certificate Schedule and Illustration issued to You. The following provisions govern the calculation of the Death Benefit:

Guaranteed Death Benefit

While premiums are being paid, the Policy provides for an initial level Guaranteed Death Benefit. After the Initial Guaranteed Death Benefit Period, the Guaranteed Death Benefit is reduced. The Guaranteed Death Benefits and Periods are shown in the Certificate Schedule.

The Guaranteed Death Benefit is equal to the sum of the Guaranteed Paid-Up Term Death Benefit and the Decreasing Term Death Benefit. The Guaranteed Death Benefit Coverage terminates without value at the Expiry Date shown in the Certificate Schedule.

Guaranteed Paid-Up Term Death Benefit

The Guaranteed Paid-Up Term Death Benefit is equal to the accumulated amount of paid-up term insurance purchased by a level portion of the Coverage annual premium. This premium is shown on the Certificate Schedule. During the Vesting Period, the premium loads shown in the Certificate Schedule reduce this level portion of the premium. The table of Guaranteed Paid-Up Term Death Benefits is shown in the Certificate Schedule.

If the Coverage lapses during the Vesting Period, the Coverage will terminate with no value. If the Coverage lapses after the Vesting Period accumulated paid-up term insurance Coverage will remain in force until the Expiry Date.

Decreasing Term Death Benefit

The Decreasing Term Death Benefit is equal to the Guaranteed Death Benefit minus the Guaranteed Paid-Up Term Death Benefit. The Decreasing Term Death Benefit terminates when premiums are no longer being paid.

Deferred Paid-Up Term Death Benefit

We may purchase a non-guaranteed Deferred Paid-Up Term Death Benefit on each Coverage Anniversary while the Coverage is premium paying. A Deferred Paid-Up Term Death Benefit will not provide an increase in the death benefit while the Coverage is premium paying except as noted in the One Year Term Death Benefit provision. It will increase the paid-up death benefit available upon termination of premium payments, provided that premium payments are paid through the Vesting Period. The company will declare Non-guaranteed Credits in advance of each Certificate Year that will be used to purchase the Deferred Paid-Up Term Death Benefit.

Non-guaranteed Credits

Credits are based upon interest and mortality more favorable than that guaranteed by The Policy. The total credit on each anniversary is equal to the sum of the Mortality, Survivor and the Excess Interest Credits. These Credits may not be less than zero.

The Mortality Credit is equal to i times ii times iii divided by iv:

- i. The Guaranteed Death Benefit.
- ii. The guaranteed mortality rate minus the current mortality rate.
- iii. One plus the current interest rate raised to the one half power.
- iv. One minus the current mortality rate.

The Survivor Credit is equal to i times ii times iii divided by iv:

- i. The Deferred Paid-Up Term Death Benefit on the prior anniversary.
- ii. The current mortality rate.
- iii. One plus the current interest rate raised to the one half power.
- iv. One minus the current mortality rate.

The Excess Interest Credit is equal to i times ii times iii:

- i. The sum of the Guaranteed and non-guaranteed Deferred Paid-Up Term Death Benefit on the prior anniversary.
- ii. The current interest rate minus the guaranteed interest rate.
- iii. The net single premium rate for paid-up term insurance.

The Guaranteed Death Benefit, current mortality rate, net single premium rate and interest rate for calculating the above Credits are determined as of the prior anniversary and are based upon rates declared in advance of the Certificate Year. Current rates are based upon Our future expectations of mortality and interest and are not calculated to recover past losses or distribute past profits. If We change current rates on in force Coverage under

The Policy, the changes will be made uniformly for all insureds for a given age, Duration, Mortality Table and Rate Class as shown in the Certificate Schedule.

The additional Deferred Paid-Up Term Death Benefit as of the current anniversary is equal to the amount of Deferred Paid-Up Term Death Benefit on the prior anniversary plus the sum of the total Credits divided by the net single premium rate for paid-up term insurance on the current anniversary. If at any anniversary the sum of the Guaranteed Paid-Up Term Death Benefit and the Deferred Paid-Up Term Death Benefit would exceed the Initial Guaranteed Death Benefit, then premiums will be refunded to the point that the sum is equal to the Initial Guaranteed Death Benefit.

Once earned, the Deferred Paid-Up Term Death Benefit is guaranteed and will not decrease except in years where it is used to purchase One Year Term insurance.

One Year Term Insurance

After the Initial Guaranteed Death Benefit Period, a portion of the value of the non-guaranteed Deferred Paid-Up Term Death Benefit will be used on each anniversary to purchase One Year Term Insurance equal to the reduction in the Guaranteed Death Benefit. If there is not enough value to purchase One Year Term Insurance equal to the reduction in the Guaranteed Death Benefit then as much One Year Term Insurance as the value will allow will be purchased.

The One Year Term Insurance premium is equal to i divided by ii:

- i. Current mortality rate
- ii. One plus the current interest rate raised to the one half power,

Where the current mortality rate and interest rate is determined as of the current anniversary.

The amount of Deferred Paid-Up Term Death Benefit will be reduced by the amount needed to pay the One Year Term Insurance Premium based upon the net single premium rate for paid-up term insurance.

Early Fully Paid-Up Coverage

If the sum of the Guaranteed and Deferred Paid-Up Term Death Benefit is greater than or equal to the Initial Guaranteed Death Benefit prior to age 100, the Coverage will become paid-up for an amount equal to the Initial Guaranteed Death Benefit. Premiums will be refunded to the point in time that the sum of the Guaranteed and Deferred Paid-Up Term Death Benefit was equal to the Initial Guaranteed Death Benefit. No further premium payments will be due.

Death Benefit Calculations

In any Certificate Year, while premiums continue to be paid, the amount payable upon death of the Insured will be:

- a. Guaranteed Death Benefit in effect, in that year; plus
- b. After the Initial Guaranteed Death Benefit Period, One Year Term Insurance, if any; plus
- c. the premium paid beyond the date of death; plus
- d. interest, not less than required by law, from the date proof of death is received by Us to the date the claim is paid; minus
- e. any unpaid premium due and unpaid at the date of death.

In any Certificate Year after premiums have been paid thru the Vesting Period and the Coverage has Lapsed due to nonpayment of premiums, the amount payable upon death of the Insured will be:

- a. the Guaranteed Paid Up Term Death Benefit; plus
- b. the Deferred Paid Up Term Benefit, if any; plus
- c. interest, not less than required by law, from the date proof of death is received by Us to the date the claim is paid.

No Death Benefit is payable in the event that death occurs after Coverage has Lapsed, and the Lapse occurred prior to the end of the Vesting Period.

Payment of Proceeds – Settlement of the death benefit shall be made by payment in one sum.

Subject to a written claim form as furnished by Us, We will pay the death benefit within 30 days of when We receive due proof at Our Administrative Office that the Insured died while the Coverage was in force. If payment is delayed for 30 days or more, We will pay interest at a rate of at least 2.5% a year on the amount We owe. The

Proceeds are subject to any adjustments provided in the Misstatement of Age or Tobacco Usage, Contestability and Suicide provisions.

Death of Beneficiary

If any Beneficiary dies prior to the Insured, the portion of the proceeds that would have gone to that Beneficiary shall be paid to the Insured's Estate.

Multiple Beneficiaries

If there is more than one Beneficiary, proceeds shall be divided equally among the Beneficiaries, unless the Beneficiary designation specifies the amount to be paid to each Beneficiary.

Facility of Payment

We may pay all or part of the Death Benefit to any person who paid any expense in connection with the Insured's last illness or death. That person must give us a copy of the receipt describing the expense and the amount paid for such expense. The amount paid will not exceed \$1,000. The Death Benefit will be reduced by any payment made under this provision.

COVERAGE VALUES

Basis of Values

All paid-up term insurance amounts, present values and net single premiums for The Policy are based on the Mortality Table and interest rate shown on the Certificate Schedule. Calculations take into account that premiums are paid annually and that Death Benefits are payable uniformly throughout the Certificate Year. Any additional benefits provided by Riders shall be excluded from these calculations.

Certificate Schedule of Guaranteed Values

The Certificate Schedule of Guaranteed Values shows the guaranteed values at the beginning of the Certificate Year on the assumption that premiums have been fully paid in cash for the completed years stated.

If premiums for this Coverage are paid other than annually, adjustments will be made in calculating guaranteed Paid-Up term insurance values for that portion of the Certificate Year for which premiums were actually paid.

Guaranteed paid-up term insurance values for the end of any Coverage Year not shown in the table will be furnished upon written request to the Administrative Office.

The face amount of the new coverage will be no more than five times the Benefit Amount payable under this Rider for the Dependent child, but no less than \$5,000.

Premium for the new coverage will be based on the age, gender and rate class of the Dependent Child on the Date of Issue of the new coverage.

There will be no Evidence Of Insurability required for the conversion. Death benefits, cash-values, and loan values, if any, will be reduced if an Accelerated Death Benefit for Terminal Illness is paid. The Accelerated Death Benefit for Terminal Illness, related charges, interest, discounts or liens, if applicable and the balance of the Death Benefit of the life insurance contract shall constitute full settlement on maturity of the face amount of the contract. For term contracts, no maturity payment is available at the end of the term period.

The Accelerated Benefit offered under this Rider may or may not qualify for favorable tax treatment under the Internal Revenue Code of 1986. Whether such benefits qualify depends on factors such as the Insured's life expectancy at the time benefits are accelerated or whether You use the benefits to pay for the Insured's necessary long-term care expenses, such as nursing home care. If the Accelerated Benefit qualifies for favorable tax treatment, the benefit will be excludable from Your income and not subject to federal taxation. Tax laws relating to Accelerated Benefits are complex. You are advised to consult with a qualified tax advisor about circumstances under which You could receive Accelerated Benefits excludable from income under federal law.

Receipt of an Accelerated Death Benefit may affect You and Your spouse or family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect You, Your spouse and family's eligibility for public assistance.

- \$100,000

The minimum amount You may elect as an advance under the Accelerated Death Benefit for Terminal Illness is \$2,500. The total amount you may elect from all accelerated death benefit provisions available from coverage issued by Combined Insurance Company of America on the life of the Insured is \$100,000.

LIMITATIONS

The following limits apply to payment of an Accelerated Death Benefit under this Rider:

1. We will not pay any Accelerated Death Benefit before the end of the Elimination Period.
2. We will not pay any Accelerated Death Benefit such that the total lifetime Accelerated Death Benefits payable plus any Terminal Illness benefit paid exceed the current life insurance death benefit Coverage provided by the Certificate.

GENERAL PROVISIONS

This Rider is part of the Certificate and Policy to which it is attached.

ENTIRE CONTRACT; CHANGES: This Policy constitutes the entire contract between the parties, and no statement made by the employer or by an employee whose eligibility has been accepted by the Insurer shall avoid the insurance or reduce the benefits under this policy or be used in defense to a claim hereunder. No change in this Policy shall be valid unless approved by an executive officer of the insurer and unless such approval be endorsed heron or attached hereto. No agent may change this Policy or waive any of its provisions.

GRACE PERIOD: A grace period of 31 days will be granted for the payment of premiums accruing after the first premium, during which the policy shall continue in force, but the employer shall be liable to the insurer for the payment of the premium accruing for the period the policy continues in force.

NOTICE OF CLAIM: You must notify Us in writing within 30 days of any eligible Facility Care, Home Care, or Community-Based Services, for which You are claiming benefits. You must send written notice to Our agent or Us and include the insured's name and Certificate Number. If notice cannot reasonably be given within 30 days of a loss, You must send the notice as soon as reasonably possible.

CLAIM FORMS: After We receive Notice of Claim, We will send claim forms to You or Your authorized representative within 15 days. If the claim forms are not received within 15 days, We will accept Written Proof of Loss describing the nature and extent of the claim and the claimant will be deemed to have complied with the Written Proof of Loss requirements. Such initial and ongoing Written Proof of Loss must be received by Us within the time limit stated in the following paragraph.

WRITTEN PROOF OF LOSS: We will pay benefits under this Rider after We receive Written Proof of Loss. We must receive initial Written Proof of Loss within 90 days after expiration of the Elimination Period. If it is not reasonably possible to provide this information within such time, initial Written Proof of Loss must be submitted as soon as reasonably possible, but not later than one year from the time specified, except in absence of legal capacity. We will require subsequent Written Proof of Loss to be submitted periodically while the Insured continues to be eligible to receive benefits under this Rider. Any such periodic Written Proof of Loss due to a chronic illness will not be required more frequently than once every 90 days.

Written Proof of Loss means billing statements, invoices, or payment receipts to prove that the Insured received Facility Care, Home Care, or Community-Based Services in accordance with a Plan of Care. Examples of Written Proof of Loss include Plan of Care records, attending Physician reports, medical records; and similar written documentation.

Interest shall accrue and shall be payable at the rate of 10 percent per annum on the amount of the claim beginning on the first calendar day after the day that the payment of the accepted claim is due.

PHYSICAL EXAMINATION: At Our expense, We reserve the right to have a Licensed Health Care Practitioner of Our choosing examine the Insured, when and as often as We may reasonably require, while a claim is pending to determine the Insured's eligibility for benefits.

RESOLUTION OF DISPUTES: In the event that the Licensed Health Care Practitioner We choose provides an assessment of the Insured's condition that conflicts with the Insured's Licensed Health Care practitioner's assessment, the company Licensed Health Care Practitioner's opinion will not be binding on You. In case of disagreement between You and Us on whether an Insured qualifies for accelerated benefits under this Rider, You have a right to mediation or binding arbitration conducted by a disinterested third party who has no ongoing relationship with either You or Us. As part of the final decision, the arbitrator shall award the costs of arbitration to one party or the other or may divide the costs equally or otherwise.

TIME OF PAYMENT OF CLAIMS: All benefits described in this Rider will be paid monthly provided We have received Written Proof of Loss. Any balance remaining upon termination of the period of liability will be paid immediately upon receipt of due written proof.

PAYMENT OF CLAIMS: All Rider benefits will be paid to You, unless You designate a different payee.

ADJUSTMENT OF THE DEATH BENEFIT: If Rider benefit payments are paid after the Insured has died, but before notification of death has been received by the Company, We will reduce the Death Benefit by the amount of these Rider benefit payments.

LEGAL ACTIONS: No legal action may be brought to recover under this Rider within 60 days after Written Proof of Loss has been provided to Us as required. Also, no legal action may be brought to recover under this Rider more than 3 years from the time Written Proof of Loss is required to be furnished.

CONSENT FOR BENEFIT PAYMENT: We must obtain the consent of any irrevocable beneficiary or assignee of record before any Rider benefit is paid.

CONTESTABILITY: Except for non-payment of premium, We will not contest this Rider after two years from the Date of Issue of this Rider, or the effective date of reinstatement with respect to statements made in the application for reinstatement, if applicable.

REINSTATEMENT FOR UNINTENTIONAL LAPSE: If this rider is canceled due to nonpayment of premium, the Certificateholder is entitled to have this rider reinstated if, within a period of not less than 5 months after the date of cancellation, the Certificateholder or any secondary addressee designated provides proof of the Insured's cognitive impairment or the loss of functional capacity. Rider reinstatement shall be subject to payment of overdue premiums. The standard of proof of cognitive impairment or loss of functional capacity shall not be more stringent than the benefit eligibility criteria for cognitive impairment or the loss of functional capacity contained in this rider. If the rider becomes a claim during the 180-day period before the overdue premium is paid, the amount of the premium or premiums may be deducted in any settlement under this rider.

CONTINUATION: Regardless of the continuation or conversion options available under the base Certificate, a continuation option is available for this Rider. Only You can request termination of this Rider. Unless You do, it will remain in force as long as the Certificate remains in force. If the base Certificate is converted to an individual life policy, this Rider will then be attached to the converted individual life policy.

TERMINATION OF COVERAGE PROVIDED BY THIS RIDER: Coverage provided by this Rider terminates at the earliest of:

1. When the Coverage provided by the Certificate terminates for any reason including Termination of Coverage due to Acceleration; or
2. On the date You elect to terminate this Rider; or
3. On the date of the Insured's death; or
4. At the end of the 31 day grace period for an unpaid premium.

The termination or cancellation of the Rider will be without prejudice to any benefits payable for any claim for Facility Care, Home Care, or Community-Based Services if such claim began while the accelerated Death Benefits under this Rider were in force and continues without interruption after termination. Such extension of benefits beyond the period the Rider was in force is limited to payment of the maximum benefits subject to all other applicable provisions of the contract.

CONTINGENT NONFORFEITURE BENEFIT: The contingent nonforfeiture benefit will be available on lapse should We increase the premium rates and you did not purchase the Nonforfeiture Benefit. The Contingent Nonforfeiture Benefit will be equal to the greater of 100 percent of the premium paid or 30 times the daily nursing home benefit at the time the Rider lapses.

CANCELLATION OF THIS RIDER: This Rider may be cancelled by a written request from You. Cancellation will take effect on the date We receive the written request at Our Administrative Office. We will refund a pro rata part of any premium paid for this Rider beyond that date.

NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

• Persons Covered

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

• Amount of Coverage

The basic coverage protections provided by the Association are as follows.

• Life Insurance, Annuities and Structured Settlement Annuities

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

• Life Insurance

80% of death benefits but not to exceed \$300,000

80% of cash surrender or withdrawal values but not to exceed \$100,000

• Annuities and Structured Settlement Annuities

80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

• Health Insurance

The maximum amount of protection provided by the Association to an individual, as of April 1, 2011, is \$470,125. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer.

COVERAGELIMITATIONSANDEXCLUSIONSFROMCOVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual .
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.califega.org. or contact either of the following:

Before You Buy Life Insurance

Understand What Life Insurance Is Life insurance pays a death benefit if you die while the policy is in effect, in exchange for premiums you pay before your death. You can use the death benefit to protect against financial hardships such as loss of your income, funeral expenses, medical or nursing care expenses, debt repayments, and child care costs after your death. You can get information from the NAIC InsureU Life Insurance website -- www.insureuonline.org/insureu_type_life.htm

If You Need Life Insurance, Decide How Much Coverage to Buy

How much life insurance to buy depends on the financial needs that will continue after your death. Examples include supporting your family, paying for child(ren)'s education, and paying off a mortgage. Some questions you may want to ask about your own needs include:

- Does anyone depend on me financially?
- How much of the family income do I provide?
- How will my family pay my final expenses and repay debts after my death?
- Do I want to leave money to charity or family?
- If I have life insurance through my employer, is it enough to meet my financial obligations?

The answers to these questions can help you decide how much coverage you need. An insurance agent, financial advisor, or insurance company representative can help you evaluate your insurance needs and give you information about available policies.

If You Already Have Life Insurance, Assess Your Current Life Insurance Policy

It's important to compare your current policy with any new policy you might buy. Keep in mind that you may be able to change your current policy to get benefits you want. Also, know that any changes in your health may impact your ability to get a new policy or the premium you'll pay. Don't cancel your current policy until you get the new one.

Also, while you may have free or low-cost life insurance through your employer, the death benefit usually is less than you need. And if you leave the employer, you may not be able to take this coverage with you.

Compare the Different Types of Insurance Policies

There are many types of life insurance policies. You should choose a policy with features that fit your individual needs. Some things to consider are:

- **Term Insurance vs. Cash Value Insurance.**

Term insurance is intended to provide lower-cost coverage for a specific period of time ("a term"). If you want coverage for a longer period of time, such as for your lifetime, cash value insurance may be more cost effective. Most term policies don't build up cash values that you can use in the future.

- **Renewable Term vs. Non-renewable Term.** Most term life insurance coverage can be continued ("renewed") at the end of the term, even if your health has changed. If you renew a term policy, the new premiums are higher. Ask what the premiums will be before you renew the policy. Also ask if you'll lose the right to renew the policy at a certain age. Non-renewable term policy can't be continued. You'll have to apply for a new policy if you still want coverage.
- **Whole Life vs. Universal Life.** Whole life and universal life insurance are two types of cash value insurance. A key difference between the two is how you pay for the coverage. You typically pay premiums for whole life insurance according to a set schedule. In a universal life policy, you can choose a flexible premium payment pattern as long as you pay enough to keep your policy in force.
- **Variable Life vs. Non-variable Life.** The investments you will choose (such as stock and bond funds) in a variable life policy directly impact your cash value. These policies have the greatest potential to build cash value but also the greatest risk of losing cash value. Non-variable life policies often have guaranteed minimums for some features (interest or cash value, for example) but not all. Non-variable life policies also have less potential to build cash value than variable life policies.

Be Sure You Can Afford the Premium

Before you buy a life insurance policy, be sure you can pay the premiums. Can you afford the initial premium? If the premium increases later, will you still be able to afford it? The premiums for many life insurance policies are sensitive to changes in the company's investment earnings, claims costs, and other expenses. If those are worse than expected, you may have to pay a much higher premium. Ask what might be the highest premium you'd have to pay to keep your coverage.

Understand the Application Process

You can apply for life insurance through life insurance agents, the mail, and online. In addition to basic information, such as your name, address, employer, job title, and date of birth, you'll be asked for more personal information. Depending on the type of policy, the insurer may require you to see a doctor, answer health-related questions, or have a medical professional come to your home or office to assess your health. Usually a policy that doesn't require detailed health information will cost more and provide less coverage than one that does.

It's important to tell the truth on the application. The insurance company will check your answers so review the application before you sign. If the insurance company discovers false statements on your application after it issues your policy, it could reduce or cancel your coverage.

Choose a Beneficiary

A beneficiary is the person(s) or organization(s) you name to receive your life insurance policy's death benefit. You'll need to know the Social Security or tax identification number for all beneficiaries. Experts advise you not to name a minor child as a beneficiary. Insurance companies won't pay a minor. Instead, consider leaving the money to your estate or trust

Evaluate the Future of Your Policy

Does your policy have a cash value? In some cash value policies, the values are low in the early years but build later on. In other policies the values build up gradually over the years. Most term policies have no cash value. Ask your insurance agent, financial advisor, or an insurance company representative for an illustration showing future values and benefits

After You Buy Life Insurance

Read Your Policy Carefully

After you carefully read your policy, you should be able to answer the following important questions:

- Is your personal information correct?
- Do premiums or policy values vary from year to year?
- What part of the premium or policy value isn't guaranteed?
- How will the timing of money paid and received affect any interest the policy might earn?

Your insurance agent, financial advisor, or an insurance company representative can help you understand anything that isn't clear.

If you're not satisfied with your new policy, you can return it for a full refund within a certain period, usually 10 days after you receive it. The review period usually is stated on the first page of the policy.

Review Your Life Insurance Program Every Few Years

Review your policy with your insurance agent, financial advisor, or an insurance company representative every few years to keep up with changes in your policy and your needs.

- Have the premiums or benefits changed since your policy was issued?
- Do the death benefits still meet your needs?
- Do you need more or less coverage after life events, such as birth, adoption, marriage, job change, death, or divorce?

The insurance company can provide policy statements and illustrations to help with this review. As the policy owner, you can change beneficiaries at no cost. Be sure to review your beneficiaries every few years, especially after major life events that affect your life insurance needs.
