CHUBB®

Congratulations on your purchase of life insurance through Chubb Workplace Benefits. Your coverage is brought to you by Combined Insurance Company of America, a Chubb company, providing valuable benefits to individuals for over 90 years. To help you understand your LifeTime Benefit Term Coverage, we have provided additional information below.

LifeTime Benefit Term Product Information

Based on the assumption that the current crediting interest rate (3.00 %) and mortality premium charges continue to age 100, the policy death benefit will remain unchanged through age 99 with no premiums due after age 100. However, credited interest rates could very well increase above the current rate (3.00 %), which will provide paid-up benefits of the death benefit earlier than projected at current interest rates.

The Death Benefit has guarantees to protect the coverage. If the interest rate decreases to the guaranteed rate (2%) and never recovers to the current credited interest rate (3.00 %), the death benefit will remain at 100% of the face amount to the later of age 70 or 25 years from issue. Therefore, and as a worse-case scenario, the death benefit can be no less than 50% of the original death benefit amount through age 121 with no premiums due after age 100.

SUMMARY and DISCLOSURE STATEMENT for ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

Benefit

According to the terms of the Accelerated Death Benefit For Terminal Illness Rider, We will pay a portion of the Death Benefit to the Certificateholder upon receiving acceptable proof that the Insured is terminally ill. The benefits of this Rider are available to the Certificateholder through a Rider attached to his or her Certificate. An Accelerated Death Benefit for Terminal Illness can only be paid one time under this Rider.

Consequences of Receiving an Accelerated Death Benefit for Terminal Illness

This accelerated life benefit does not and is not intended to qualify as long-term care under Washington state law. Washington state law prevents this accelerated life benefit from being marketed or sold as long term care. Payment of benefits under this Rider may be taxable to the Certificateholder under the Internal Revenue Code. The receipt of an Accelerated Death Benefit may also affect the Certificateholder's eligibility to receive, or continue to receive Medicaid benefits, or other state or federal government benefits and entitlements. Before the Certificateholder elects to receive any benefits under this Rider, he or she should consult with his or her tax advisor.

Amount You May Elect

After the Contestability Period is completed, the Certificateholder may elect the amount of the Accelerated Death Benefit to be paid. The limits are outlined in the Rider, but are generally limited to the lesser of 50% of the Death Benefit provided to the Insured by the Certificate after subtraction of any previous Accelerated Death Benefit paid to the Certificateholder, to a maximum of \$100,000. We have a right under the Rider to charge an administrative fee for processing an Accelerated Death Benefit. The maximum amount of the fee we will charge the Certificateholder is \$150. It will be deducted from any payment made.

When Eligible for Payment of Benefit

The Certificateholder is entitled to receive the Accelerated Death Benefit for Terminal Illness when we have determined that the insured is terminally ill and has a life expectancy of 24 months or less.

Notice and Proof of Qualifying Event

We will require proof that the Insured is terminally ill. The diagnosis must be made by a Physician as defined in the Rider. We reserve the right to obtain a second medical opinion at Our expense. If there is a conflict of opinions, a third diagnosis will be obtained by a Physician acceptable to both You and Us. In the case the disagreement is not so resolved, the claimant has the right to mediation or binding arbitration conducted by a disinterested third party who has no ongoing relationship with either party. As part of the final decision, the arbitrator shall award costs of arbitration to one party or the other or may divide the costs equally or otherwise.

Effect of an Accelerated Death Benefit for Terminal Illness

When payment of an Accelerated Death Benefit for Terminal Illness is made, it will be treated as a Lien against the Certificate Coverage. We will charge the Certificate Holder interest on the Accelerated Death Benefit paid to him or her. The maximum interest rate we may charge the Certificate Holder is the greater of:

1. 7%; or
2. the current 90 day U.S. Treasury Bill rate in effect on the date that the Accelerated Death Benefit is paid.

Premiums, without reduction, will still be payable, including any premiums for Riders. In the event that Coverage under a Certificate Lapses for nonpayment of premium, Coverage terminates and no repayment of the lien (including accrued interest) is required. A written consent must be sent to Us from any Irrevocable Beneficiaries or assignees before we will release an Accelerated Death Benefit. The written request must be in a form satisfactory to Us.

If any part of the death benefit remains after the payment of the Accelerated Death Benefit for Terminal Illness, then any applicable accidental death benefit payable shall not be affected by the payment of the accelerated death benefit.

Benefit Premiums

There are no separate premiums for benefits under this Rider.

Below is a **sample illustration** of the effect of an Accelerated Death Benefit for Terminal Illness on a Certificateholder's Coverage. Things You Should Know Before You Buy Long Term Care Insurance

- A long term care insurance Rider may pay most of the costs for your care in a nursing home. Many Riders also pay for care at home or other community settings. Since Riders can vary in coverage, you should read this Rider and make sure you understand what it covers before you buy it.
- You should not buy this insurance Rider unless you can afford to pay the premiums every year. Remember that the company can increase premiums in the future.
- The personal worksheet includes questions designed to help you and the company determine whether this Rider is suitable for your needs.

Medicare

- Medicare does not pay for most long term care.

Medicaid

- Medicaid will generally pay for long term care if you have very little income and few assets. You probably should not buy this Rider if you are now eligible for Medicaid.
- Many people become eligible for Medicaid after they have used up their own financial resources by paying for long term care services.
- When Medicaid pays your spouse's nursing home bills, you are allowed to keep your house and furniture, a living allowance, and some of your joint assets.
- Your choice of long term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local or state Medicaid agency.

Shopper's Guide

- Make sure the insurance company or agent gives you a copy of a book called the National Association of Insurance Commissioners' "Shopper's Guide to Long Term Care Insurance". Read it carefully. If you have decided to apply for long term care insurance, you have the right to return the Rider within thirty (30) days and get back any premium you have paid if you are dissatisfied for any reason or choose not to purchase the Rider.

Counseling

- Free counseling and additional information about long term care insurance are available through your state's insurance counseling program. Contact your state insurance department or department on aging for more information about the senior health insurance counseling program in your state.

Insured is the person whose life is insured under The Policy. The Insured is shown in the Certificate Schedule.

Irrevocable Beneficiary is a Beneficiary whose consent is needed to change that Beneficiary. Also, an Irrevocable Beneficiary must consent to the exercise of certain rights under The Policy. See Certificateholder's Rights for exceptions. Any Beneficiary may be named an Irrevocable Beneficiary.

Issue Age means the Insured's age last birthday on the Date of Issue. The Insured's Issue Age is shown on the Certificate Schedule.

Lapse means the Coverage has terminated, or been placed on paid-up term insurance because a premium was not paid when due.

Non-guaranteed Credits may be credited on each Certificate Anniversary based upon current interest and mortality rates, declared in advance by Us that are more favorable than the guaranteed rates. Credits are used to purchase additional Deferred Paid-Up Term Insurance.

The Policy means the group contract whose provisions govern the insurance provided to the Eligible Classes. In the event of a conflict between the Lifetime Benefit Term Insurance Group Policy and the Lifetime Benefit Term Certificate of Coverage, the provisions of the Certificate will control.

Reduced Guaranteed Death Benefit means the Guaranteed Death Benefit provided after the Initial Guaranteed Death Benefit Period. It is shown on the Certificate Schedule.

You or Your refer to the Certificateholder.

CERTIFICATE PROVISIONS

The Policy

The Policy is the group contract between Us and the Policyholder whose provisions govern the insurance provided to the Insured. This Certificate is not an insurance policy. It is evidence of the Coverage provided to the Insured. In case of differences or errors, the provisions of The Policy control. The Policy may be changed at any time by a written agreement between Us and the Policyholder.

Statements Are Not Warranties

All statements made by or for the Insured in the enrollment are considered to be representations and not warranties. No statement will be used in any contest unless a copy of the enrollment data has been furnished to You or the Insured or to the Insured's Beneficiary.

Contestability

Except for failure to pay premiums, We will not contest the validity of Coverage under The Policy after two years:

- a. from the Date of Issue; or
- b. from the effective date of the last reinstatement, if any.

Termination of Coverage on an Insured

Coverage on an Insured will terminate:

1. If any premium payable by You is not paid within the grace period. The Coverage will terminate the day after the 31 day grace period.
2. On the date We receive Your written request to terminate the Coverage.
3. On the date the Insured dies.
4. When the Insured reaches age 121.
5. On the date The Policy terminates subject to the Portability Privilege.

Portability Privilege or Conversion

If the Insured loses eligibility for the Coverage provided under The Policy for any reason other than non-payment of premiums, You may either continue your current coverage under the Portability Privilege, or convert the amount of insurance that ceased under The Policy to an individual life insurance policy.

Portability will not be available for a Covered Person unless:

- 1) The Insured's Lifetime Benefit Term Insurance under the Policy terminated because the Policy was cancelled or the Insured is no longer eligible for payroll deduction; and
- 2) We receive a written request and payment of the first premium for the portability Coverage no later than 60 days after such termination; and
- 3) The request is made on a form we furnish or approve for that purpose.

In the alternative, You have the right to continue the amount of insurance lost due to termination of Coverage under The Policy to an individual life insurance policy. The individual policy will be available without presenting evidence of insurability in an amount up to and including the amount of coverage that ceased. You may select from individual life policy that is then available for sale by the Company. The premiums charged will be those applicable to the risk class, then-current age on an age-last basis, and gender of the Insured for the selected policy. This right to convert to an individual policy may only be exercised within 31 days of the termination of coverage under The Policy. Notice of conversion will be provided at least 15 days prior to the end of this period. If notice is not provided within 15 days, the Certificateholder will have an additional 15 days to exercise this right. Any paid-up additions or other fully-paid coverage under The Policy will continue in force and may not be converted to the individual policy.

Should the Insured die within the period during which they could have elected Portability or Conversion coverage, and before the individual policy would become effective, the amount of insurance which the person would have been entitled to have been issued under the individual policy shall be payable as a claim under the group policy, whether or not application for the individual policy or payment of the first premium has been made.

These options are mutually exclusive. You may not elect both Portability and Conversion.

Misstatement of Age or Tobacco Usage

If the Insured's age or tobacco usage has been misstated, the amount payable will be the amount that the premium paid would have purchased at the correct age and/or tobacco usage.

Certificateholder's Rights

The Policy provides that while the Insured is living, You may exercise all rights given to You by The Policy or allowed by Us. These rights include assigning this Coverage, changing the Beneficiary, changing the Certificateholder, enjoying all The Policy benefits and exercising all The Policy options.

The consent of any Irrevocable Beneficiary is needed to exercise any right except the right to:

- a. Change the frequency of premium payments, or;
- b. Reinstate this Coverage after Lapse.

Assignment

The Policy provides that You may assign Your rights to the Coverage under the Certificate. For any assignment to be binding on Us, We must receive the original Assignment, or a signed certified copy at Our Administrative Office and it must be recorded by Us. Once We receive the original Assignment, or a signed certified copy, Your rights and the interest of any Beneficiary or any other person will be subject to the assignment. We will not be responsible for the validity of any assignment. We are not liable for any payment made by Us before We record the assignment.

Change of Certificateholder or Beneficiary

The Policy provides that the Certificateholder or any Beneficiary may be changed during the Insured's lifetime. We do not limit the number of changes that may be made. To make a change, a written request, satisfactory to Us, must be received at Our Administrative Office. The change will take effect as of the date the request is signed by all required parties, even if the Insured dies before We receive it. Each change will be subject to any payment We made or other action We took before receiving the request. If the Certificateholder dies prior to the Insured, the Insured will become the Certificateholder.

Death of Beneficiary in Common Disaster

If any Beneficiary dies with the Insured in a common disaster, death benefits will be paid as if the Beneficiary predeceased the Insured.

Legal Actions

You cannot bring a legal action to recover benefits under Your Certificate for at least 60 days after You have given Us written Proof of Loss. You cannot start such an action after the expiration of the applicable statute of limitations from the date Proof of Loss is required.

PREMIUMS

Payment of Premiums

Premiums are payable in advance to Us. The first premium is due on the Date of Issue. Each subsequent premium is due when the period covered by the preceding premium ends. The amount and frequency of premium payments are shown in the Certificate Schedule.

Grace Period

After the first premium has been paid, We allow a 31 day Grace Period to pay each subsequent premium. During this Grace Period the Coverage remains in full force. If the Insured dies during the Grace Period, We will deduct the unpaid premium from the benefits of this Coverage.

Non-Payment of Premium Options

If You do not pay the premium due by the end of the Grace Period, the Coverage will Lapse. If the Coverage Lapses and premiums have not been paid through the Vesting Period, Coverage will terminate without value. If the Coverage Lapses and premiums have been paid through the Vesting Period it will Lapse with paid-up term insurance Coverage equal to the sum of the Guaranteed and Deferred Paid-Up Term insurance as described in the Death Benefit provision.

Reinstatement

Coverage may be reinstated, while the Insured is alive, at any time within five years after the date of Lapse subject to Our acceptance of Your application for reinstatement. However, the Coverage cannot be reinstated on or after the Expiry Date.

If You pay the premium due within 60 days of the due date (within 29 days after the end of the Grace Period) and during the Insured's lifetime, the Coverage will be reinstated without Evidence of Insurability.

If You do not pay the premium due within 60 days of the due date (within 29 days after the end of the Grace Period) Reinstatement will be subject to Evidence of Insurability satisfactory to Us. All overdue premiums must be paid with interest compounded annually at 6% from their due dates to the date of reinstatement.

THE DEATH BENEFIT

Subject to a written claim form as furnished by Us, We will pay the Death Benefit within 30 days of when We receive due proof at Our Administrative Office that the Insured died while the Coverage was in force. If payment is delayed for 30 days or more, We will pay interest at a rate of 2.5% on the amount We owe.

Death Benefits available to an Insured are determined in accordance with the Death Benefit provision of this Certificate. The Guaranteed Death Benefit, Deferred Paid-Up Term Death Benefits and One Year Term Insurance for a given Insured will vary according to Issue Age, Mortality Table, Rate Class, Premium and Non-Guaranteed Credits described in the Certificate. Given the variability of these factors, the Guaranteed Death Benefit, Deferred Paid-Up Term Death Benefits and One Year Term Insurance for a given Insured are only illustrated in the Certificate Schedule and Illustration issued to You. The following provisions govern the calculation of the Death Benefit:

Guaranteed Death Benefit

While premiums are being paid, the Policy provides for an initial level Guaranteed Death Benefit. After the Initial Guaranteed Death Benefit Period, the Guaranteed Death Benefit is reduced. The Guaranteed Death Benefits and Periods are shown in the Certificate Schedule.

The Guaranteed Death Benefit is equal to the sum of the Guaranteed Paid-Up Term Death Benefit and the Decreasing Term Death Benefit. The Guaranteed Death Benefit Coverage terminates without value at the Expiry Date shown in the Certificate Schedule.

Guaranteed Paid-Up Term Death Benefit

The Guaranteed Paid-Up Term Death Benefit is equal to the accumulated amount of paid-up term insurance purchased by a level portion of the Coverage annual premium. This premium is shown on the Certificate Schedule. During the Vesting Period, the premium loads shown in the Certificate Schedule reduce this level portion of the premium. The table of Guaranteed Paid-Up Term Death Benefits is shown in the Certificate Schedule.

If the Coverage lapses during the Vesting Period, the Coverage will terminate with no value. If the Coverage lapses after the Vesting Period accumulated paid-up term insurance Coverage will remain in force until the Expiry Date.

Decreasing Term Death Benefit

The Decreasing Term Death Benefit is equal to the Guaranteed Death Benefit minus the Guaranteed Paid-Up Term Death Benefit. The Decreasing Term Death Benefit terminates when premiums are no longer being paid.

Deferred Paid-Up Term Death Benefit

We may purchase a non-guaranteed Deferred Paid-Up Term Death Benefit on each Coverage Anniversary while the Coverage is premium paying. A Deferred Paid-Up Term Death Benefit will not provide an increase in the death benefit while the Coverage is premium paying except as noted in the One Year Term Death Benefit provision. It will increase the paid-up death benefit available upon termination of premium payments, provided that premium payments are paid through the Vesting Period. The company will declare Non-guaranteed Credits in advance of each Certificate Year that will be used to purchase the Deferred Paid-Up Term Death Benefit.

Non-guaranteed Credits

Credits are based upon interest and mortality more favorable than that guaranteed by The Policy. The total credit on each anniversary is equal to the sum of the Mortality, Survivor and the Excess Interest Credits. These Credits may not be less than zero.

The Mortality Credit is equal to i times ii times iii divided by iv:

- i. The Guaranteed Death Benefit.
- ii. The guaranteed mortality rate minus the current mortality rate.
- iii. One plus the current interest rate raised to the one half power.
- iv. One minus the current mortality rate.

The Survivor Credit is equal to i times ii times iii divided by iv:

- i. The Deferred Paid-Up Term Death Benefit on the prior anniversary.
- ii. The current mortality rate.

- iii. One plus the current interest rate raised to the one half power.
- iv. One minus the current mortality rate.

The Excess Interest Credit is equal to i times ii times iii:

- i. The sum of the Guaranteed and non-guaranteed Deferred Paid-Up Term Death Benefit on the prior anniversary.
- ii. The current interest rate minus the guaranteed interest rate.
- iii. The net single premium rate for paid-up term insurance.

The Guaranteed Death Benefit, current mortality rate, net single premium rate and interest rate for calculating the above Credits are determined as of the prior anniversary and are based upon rates declared in advance of the Certificate Year. Current rates are based upon Our future expectations of mortality and interest and are not calculated to recover past losses or distribute past profits. If We change current rates on in force Coverage under The Policy, the changes will be made uniformly for all insureds for a given age, Duration, Mortality Table and Rate Class as shown in the Certificate Schedule.

The additional Deferred Paid-Up Term Death Benefit as of the current anniversary is equal to the amount of Deferred Paid-Up Term Death Benefit on the prior anniversary plus the sum of the total Credits divided by the net single premium rate for paid-up term insurance on the current anniversary. If at any anniversary the sum of the Guaranteed Paid-Up Term Death Benefit and the Deferred Paid-Up Term Death Benefit would exceed the Initial Guaranteed Death Benefit, then premiums will be refunded to the point that the sum is equal to the Initial Guaranteed Death Benefit.

Once earned, the Deferred Paid-Up Term Death Benefit is guaranteed and will not decrease except in years where it is used to purchase One Year Term insurance.

One Year Term Insurance

After the Initial Guaranteed Death Benefit Period, a portion of the value of the non-guaranteed Deferred Paid-Up Term Death Benefit will be used on each anniversary to purchase One Year Term Insurance equal to the reduction in the Guaranteed Death Benefit. If there is not enough value to purchase One Year Term Insurance equal to the reduction in the Guaranteed Death Benefit then as much One Year Term Insurance as the value will allow will be purchased.

The One Year Term Insurance premium is equal to i divided by ii:

- i. Current mortality rate
- ii. One plus the current interest rate raised to the one half power,

Where the current mortality rate and interest rate is determined as of the current anniversary.

The amount of Deferred Paid-Up Term Death Benefit will be reduced by the amount needed to pay the One Year Term Insurance Premium based upon the net single premium rate for paid-up term insurance.

Early Fully Paid-Up Coverage

If the sum of the Guaranteed and Deferred Paid-Up Term Death Benefit is greater than or equal to the Initial Guaranteed Death Benefit prior to age 100, the Coverage will become paid-up for an amount equal to the Initial Guaranteed Death Benefit. Premiums will be refunded to the point in time that the sum of the Guaranteed and Deferred Paid-Up Term Death Benefit was equal to the Initial Guaranteed Death Benefit. No further premium payments will be due.

Death Benefit Calculations

In any Certificate Year, while premiums continue to be paid, the amount payable upon death of the Insured will be:

- a. Guaranteed Death Benefit in effect, in that year; plus
- b. After the Initial Guaranteed Death Benefit Period, One Year Term Insurance, if any; plus
- c. the premium paid beyond the date of death; plus
- d. interest, not less than required by law, from the date proof of death is received by Us to the date the claim is paid; minus
- e. any unpaid premium due and unpaid at the date of death.

In any Certificate Year after premiums have been paid thru the Vesting Period and the Coverage has Lapsed due to nonpayment of premiums, the amount payable upon death of the Insured will be:

- a. the Guaranteed Paid Up Term Death Benefit; plus
- b. the Deferred Paid Up Term Benefit, if any; plus
- c. interest, not less than required by law, from the date proof of death is received by Us to the date the claim is paid.

No Death Benefit is payable in the event that death occurs after Coverage has Lapsed, and the Lapse occurred prior to the end of the Vesting Period.

Payment of Proceeds – Settlement of the death benefit shall be made by payment in one sum.

Subject to a written claim form as furnished by Us, We will pay the death benefit within 30 days of when We receive due proof at Our Administrative Office that the Insured died while the Coverage was in force. If payment is delayed for 30 days or more, We will pay interest at a rate of at least 2.5% a year on the amount We owe. The Proceeds are subject to any adjustments provided in the Misstatement of Age or Tobacco Usage and Contestability provisions.

Death of Beneficiary

If any Beneficiary dies prior to the Insured, the portion of the proceeds that would have gone to that Beneficiary shall be paid to the Insured's Estate.

Multiple Beneficiaries

If there is more than one Beneficiary, proceeds shall be divided equally among the Beneficiaries, unless the Beneficiary designation specifies the amount to be paid to each Beneficiary.

Facility of Payment

We may pay all or part of the Death Benefit to any person who paid any expense in connection with the Insured's last illness or death. That person must give us a copy of the receipt describing the expense and the amount paid for such expense. The amount paid will not exceed \$1,000. The Death Benefit will be reduced by any payment made under this provision.

COVERAGE VALUES

Basis of Values

All paid-up term insurance amounts, present values and net single premiums for The Policy are based on the Mortality Table and interest rate shown on the Certificate Schedule. Calculations take into account that premiums are paid annually and that Death Benefits are payable uniformly throughout the Certificate Year. Any additional benefits provided by Riders shall be excluded from these calculations.

Certificate Schedule of Guaranteed Values

The Certificate Schedule of Guaranteed Values shows the guaranteed values at the beginning of the Certificate Year on the assumption that premiums have been fully paid in cash for the completed years stated.

If premiums for this Coverage are paid other than annually, adjustments will be made in calculating guaranteed Paid-Up term insurance values for that portion of the Certificate Year for which premiums were actually paid.

Guaranteed paid-up term insurance values for the end of any Coverage Year not shown in the table will be furnished upon written request to the Administrative Office.

BENEFITS

MONTHLY ACCELERATED DEATH BENEFIT FOR CONFINEMENT, HOME HEALTH CARE, OR ADULT DAY CARE: The benefit amount for Confinement, Home Health Care, or Adult Day Care, will be 4% of the Face Amount of the Certificate as of the first of the month following the date the Insured became eligible for this benefit less any lien effective at that time. We will pay this benefit after We receive the required proof that the Insured has met the Conditions on Eligibility for Long Term Care Benefits. The benefit will be payable for each Certificate month while the Insured continues to meet the eligibility requirements. Benefit payments will be subject to the Remaining Accelerated Death Benefit Amount.

REMAINING ACCELERATED DEATH BENEFIT AMOUNT: The Monthly Accelerated Benefit may not be larger than the Remaining Accelerated Death Benefit Amount. The Remaining Accelerated Death Benefit Amount equals:

1. the current death benefit on the life of the Insured provided by the Certificate; less
2. any Lien resulting from a Terminal Illness benefit paid to You under a Terminal Illness Rider; less
3. the total of all previous Monthly Accelerated Death Benefit Amounts paid to You for Long Term Care benefits under this Rider.

The current death benefit as used here does not include accidental death benefits or life insurance provided by any other Riders.

WAIVER OF PREMIUM: While the Insured is eligible for Monthly Accelerated Death Benefits, We will waive the premiums due for the Coverage provided by the Certificate and the premiums for Riders attached to the Certificate.

EFFECT ON THE CERTIFICATE IF LONG TERM CARE BENEFITS ARE PAID

ADJUSTED DEATH BENEFIT DUE TO ACCELERATION: The death benefit that is payable at the death of the Insured will be reduced by the total of all previous Long Term Care Benefit payments to You. The Death Benefit will further be reduced by any Lien resulting from a Terminal Illness benefit paid to You. If the Insured dies while the Certificate is in force, the remaining Death Benefit proceeds will be paid to the Beneficiary. No further payments under this Rider will be made to You.

ADJUSTED PREMIUMS DUE TO ACCELERATION: While the Insured is eligible for a Monthly Accelerated Death Benefit, We will waive the premiums due for the benefits provided to You by the Certificate. If the Insured later becomes ineligible for a Monthly Accelerated Death Benefit and a Maximum Remaining Accelerated Death Benefit Amount is still available, We will reduce the premium due for the Coverage and this Rider. That reduced premium equals (1) multiplied by (2), plus (3):

1. The premium due on the Coverage provided by the Certificate and the benefits for this Rider;
2. The ratio of the Adjusted Death Benefit plus any Terminal Illness lien to the current death benefit for the certificate;
3. The current premium for any other Riders attached to the Coverage.

TERMINATION OF COVERAGE DUE TO ACCELERATION: If the Maximum Remaining Accelerated Death Benefit Amount is reduced to zero or less, either due to payment of a Monthly Accelerated Death Benefit or due to a reduction in the death benefit provided under the Certificate, the Coverage provided by the Certificate and any Riders will terminate with no further benefits payable.

RESTRICTION ON CHANGES TO CERTIFICATE AND RIDERS: While the Insured is eligible for a Monthly Accelerated Death Benefit no changes may be made to the Coverage provided by the Certificate or to any Rider attached to the Coverage.

EFFECT ON ACCIDENTAL DEATH BENEFIT RIDER: While the Coverage is in force, any Accidental Death benefit under the Certificate will not be affected by the acceleration of benefits under this Rider.

MONTHLY REPORT SHOWING EFFECT OF RIDER BENEFITS: While Rider benefits payments are being paid, We will provide You with a monthly report that shows the effect each Rider benefit payment has on Coverage values.

EXCLUSIONS

We will not pay Rider benefits for care that is received or loss incurred as a result of:

1. an intentionally self-inflicted injury, or attempted suicide; or
2. war or any act of war, declared or undeclared, or service in the armed forces of any country; or
3. treatment of the Insured's alcohol, drug or other chemical dependence, except if the drug dependency was sustained or acquired at the hands of a Physician, or except while under treatment for an injury or sickness; or
4. the Insured's commission of, or attempt to commit, a felony; or an injury that occurs because of the Insured's involvement in an illegal activity.

We will not pay Rider benefits if the Confinement, Home Health Care service, or Adult Day Care service:

1. is received outside the United States and its territories; or
2. is provided by ineligible providers; or
3. is rendered by members of the Certificateholder's or the Insured's Immediate Family.

LIMITATIONS

The following limits apply to payment of an Accelerated Death Benefit under this Rider:

1. We will not pay any Accelerated Death Benefit before the end of the Elimination Period.
2. We will not pay any Accelerated Death Benefit such that the total lifetime Accelerated Death Benefits payable plus any Terminal Illness benefit paid exceed the current life insurance death benefit Coverage provided by the Certificate.

GENERAL PROVISIONS

GRACE PERIOD: This Rider provides a Grace Period of 30 days, within which payment of any premium after the first may be made. During the Grace Period this Rider will continue in force. If the Rider becomes a claim during the Grace Period before the overdue premium is paid, the amount of such premium may be deducted in any settlement under the Rider. This Rider will not be canceled for nonpayment of premium unless, after expiration of the Grace Period, and at least 30 days prior to the effective date of such cancellation, We have mailed a notification of possible lapse in Coverage to the Certificateholder and to a specified secondary addressee if such addressee has been designated in writing by name and address by the Certificateholder. We shall notify the Certificateholder, at least once annually, of the right to designate a secondary addressee. Notice of possible lapse in Coverage due to nonpayment of premium shall be given by United States Postal Service proof of mailing or certified or registered mail to the Certificateholder and the secondary addressee at the address shown in the life insurance Certificate or the last known address provided to us. Notice may not be given until 30 days after a premium is due and unpaid. Notice shall be deemed to have been given as of 5 days after the date of mailing.

If the premium for this Rider is paid through a payroll or pension deduction plan, the secondary notification will not be made until 60 days after the Certificateholder is no longer on such a payment plan.

REINSTATEMENT FOR UNINTENTIONAL LAPSE: If this Rider is canceled due to nonpayment of premium, the Certificateholder is entitled to have this Rider reinstated if, within a period of not less than 5 months after the date of cancellation, the Certificateholder or any secondary addressee designated demonstrates that the failure to pay the premium when due was unintentional and due to the Certificateholder's Cognitive Impairment, loss of functional capacity, or continuous confinement in a hospital, Nursing Home Facility, or Assisted Living Facility for a period in excess of 60 days. Rider reinstatement shall be subject to payment of overdue premiums. The standard of proof of Cognitive Impairment or loss of functional capacity shall not be more stringent than the benefit eligibility criteria for Cognitive Impairment or the loss of functional capacity contained in this Rider. We may require payment of an interest charge not in excess of 8% per year for the number of days elapsing before the payment of the premium, during which period this Rider shall continue in force if the demonstration of Cognitive Impairment is made. If the Rider becomes a claim during the 180-day period before the overdue premium is paid, the amount of the premium or premiums with interest not in excess of 8% per year may be deducted in any settlement under this Rider.

NOTICE OF CLAIM: You must notify Us in writing within 30 days of any eligible Confinement, Home Health Care service, or Adult Day Care service, for which You are claiming benefits. You must send written notice to Our agent or Us and include the insured's name and Certificate Number. If notice cannot reasonably be given within 30 days of a loss, You must send the notice as soon as reasonably possible.

CLAIM FORMS: After We receive Notice of Claim, We will send claim forms to You or Your authorized representative within 15 days. If the claim forms are not received within 15 days, We will accept Written Proof of Loss describing the nature and extent of the claim. Such initial and ongoing Written Proof of Loss must be received by Us within the time limit stated in the following paragraph.

WRITTEN PROOF OF LOSS: We will pay benefits under this Rider after We receive Written Proof of Loss satisfactory to Us. We must receive initial Written Proof of Loss within 90 days after expiration of the Elimination Period. If it is not reasonably possible to provide this information within such time, initial Written Proof of Loss must be submitted as soon as reasonably possible, but not later than one year from the time specified. We will require subsequent Written Proof of Loss satisfactory to Us to be submitted periodically while the Insured continues to be eligible to receive benefits under this Rider. Any such periodic Written Proof of Loss will not be required more frequently than once every 31 days. Any such periodic Written Proof of Loss due to a chronic illness will not be required more frequently than once every 90 days.

Written Proof of Loss means billing statements, invoices, or payment receipts to prove that the Insured was Confined or received Home Health Care or Adult Day Care services in accordance with a Plan of Care. Written Proof of Loss also means certification by a Physician that the Insured is Chronically Ill. Examples of Written Proof of Loss include Physician certification, Plan of Care records, attending Physician reports, medical records; and similar written documentation.

PHYSICAL EXAMINATION: At Our expense, We reserve the right to have a Licensed Health Care Practitioner of Our choosing examine the Insured while a claim is pending to determine the Insured's eligibility for benefits. In the event that the Licensed Health Care Practitioner We choose provides a different diagnosis of the Insured's condition, We reserve the right to rely on the certification from the Physician of Our choosing for claim purposes.

TIME OF PAYMENT OF CLAIMS: All benefits described in this Rider will be paid monthly provided We have received Written Proof of Loss satisfactory to Us.

PAYMENT OF CLAIMS: All Rider benefits will be paid to You, unless You designate a different payee.

ADJUSTMENT OF THE DEATH BENEFIT: If Rider benefit payments are paid after the Insured has died, but before notification of death has been received by the Company, We will reduce the Death Benefit by the amount of these Rider benefit payments.

LEGAL ACTIONS: No legal action may be brought to recover under this Rider within 60 days after Written Proof of Loss has been provided to Us as required. Also, no legal action may be brought to recover under this Rider more than 3 years from the time Written Proof of Loss is required to be furnished.

PROTECTION FOR YOU AND YOUR INSURANCE POLICY THE WASHINGTON LIFE AND DISABILITY INSURANCE GUARANTY ASSOCIATION

PREFACE

This brochure briefly describes the coverage provided through the Washington Life & Disability Insurance Guaranty Association (“Association”).

The Association is a nonprofit unincorporated legal entity created by the Washington Life and Disability Insurance Guaranty Association Act, Chapter 48.32A RCW (“Act”). Every life and disability insurance company authorized to do business in Washington is a member of the Association. A Board of Directors (“Board”), composed of representatives from member insurers, and the Insurance Commissioner, ex officio, oversee the operation of the Association.

The expenses of the Association are paid by assessments made against each member insurer. Persons covered by the Act are not charged for the expenses of the Association or the protection provided under the Act.

Coverage is provided for certain life and disability insurance. However, the Association does not cover all such insurance. Coverage that is provided is subject to the limitations and exclusions provided by the Act.

The purpose of this brochure is to help you understand the general nature and the conditions of the protection provided under the Act. It is only a summary, however, and if you have specific questions that are not discussed here you may contact either the Association or the Office of the Insurance Commissioner.

QUESTIONS AND ANSWERS

1. WHAT INSURANCE POLICIES ARE COVERED UNDER THE ACT?

The Act applies to life insurance policies, disability insurance policies, and annuity contracts issued by an insurance company authorized to do business in Washington. The term “disability insurance,” as used in the Act, includes not only disability income insurance, but also policies commonly referred to as “health insurance” (which includes long term care policies). Together, all of these policies and contracts are sometimes referred to as “covered policies,” a term used in this brochure.

2. ARE THERE POLICIES OR INSURERS NOT COVERED BY THE ACT?

The Act specifically excludes certain types of policies or portions of policies, including, but not limited to: The portion of a policy not guaranteed by the insurer; the portion of a policy to the extent the interest rate or crediting rate exceeds the limits in the Act; policies of reinsurance, unless assumption certificates have been issued; policies issued in Washington by an insurer at a time when the insurer was not licensed or did not have a certificate of authority; policies issued to a self-insured plan or program; certain unallocated employee benefit plan annuities protected by federal law; and unallocated annuity contracts not issued to or in connection with a benefit plan or a government lottery.

The Act also does not apply to policies or contracts issued by health care service contractors, health maintenance organizations, fraternal benefit societies, self funded multiple employer welfare arrangements, mandatory state pooling plans, mutual assessment companies, insurance exchanges, or an organization that has a certificate or license limited to issuance of certain charitable gift annuities.

3. WHO IS PROTECTED UNDER THE ACT?

You are covered by the Act if you are an owner of or certificate holder under a policy or contract (other than an unallocated annuity contract or structured settlement annuity), and:

- You are a Washington resident; or
- You are not a Washington resident, but only if: the insurer is domiciled in Washington; there is an association similar to the Washington Association in your state of residency; and you are not covered in your state of residency, because the insurer was not licensed in that state; or
- You are a beneficiary, assignee, or payee of one of the above, regardless of where you reside (except for nonresident certificate holders under group policies).

Owners of unallocated annuity contracts are covered if the contract was issued to or in connection with a specific benefit plan

PROTECTION FOR YOU AND YOUR INSURANCE POLICY
THE WASHINGTON LIFE AND DISABILITY INSURANCE GUARANTY ASSOCIATION

whose plan sponsor has its principal place of business in Washington, or the contract was issued to or in connection with a government lottery and the owner is a Washington resident.

A payee under a structured settlement annuity (or beneficiary of a deceased payee) is also covered, if the payee is a Washington resident, or the payee is not a Washington resident, but the contract owner is a resident; or the insurer that issued the annuity is domiciled in Washington and coverage is not available in the state in which the payee resides.

Residency is generally determined at the time of entry of an order of liquidation against the insurer. If you move to another state and reside there when such an order is entered, you may still have protection under the law of that state. You should contact the insurance department in your new state of residence to find out about guaranty act protection there.

4. HOW DOES THE ASSOCIATION PROTECT COVERED PERSONS AGAINST LOSS?

After an order of liquidation is entered against a company, the Association begins its work of carrying out the purpose of the Act, which is to assure the performance of insurance obligations of that company. The Association is authorized to carry out its duties by working with insurance companies in good standing to assume or take over the covered policies. The association may also directly provide benefits and coverage as authorized by the Act. The Association has the authority to collect the funds necessary to provide protection to covered persons against losses on their covered policies.

5. WHERE DOES THE ASSOCIATION GET THE MONEY TO PROVIDE THIS PROTECTION?

The Association is authorized to collect money from all life and disability insurance companies doing business in Washington. The funds collected from an assessment are used to pay claims to covered persons and/or to fund the assumption of covered policies by another insurer.

6. DOES THE ASSOCIATION PAY OUT THE MONEY IT COLLECTS RIGHT AWAY OR DO COVERED PERSONS HAVE TO WAIT?

The Association generally cannot make an assessment for covered policies issued by a company until after an order of liquidation has been entered against the company, and a reasonable estimate can be made of the amount of money needed. Insurance companies receiving an assessment notice must make their payments within thirty days.

Because it takes time for an action to be commenced against a financially impaired insurer, for a Court to issue an order, and for funds to be collected to satisfy the obligations of that insurer, some delay, hopefully short, is unavoidable before payments can be made. Although it is impossible to predict how long this process will take in any given case, an average time period of twelve to eighteen months is not unusual.

When necessary, the Association may borrow money to make payments more promptly, particularly in cases that will take an unusual amount of time to be resolved.

7. WHAT IS THE AMOUNT OF PROTECTION PROVIDED BY THE ACT?

The Act provides the following maximum amounts of protection:

Life Insurance Death Benefits	\$500,000
Disability Benefits and Health Benefits (including Long Term Care Benefits).....	\$500,000
Present Value of Individual Annuities	\$500,000
Unallocated Annuity Contracts, other than certain government retirement plans (limit is per contract owner or plan sponsor).....	\$5,000,000
Government Retirement Plans in Unallocated Annuities established under Internal Revenue Code § § 401, 403(b), or 457 (limit is per participant).....	\$100,000

This protection becomes effective at the time of entry of a Court order of liquidation against the insurer. Of course, if the amount owed under the contract or policy is less than the maximum benefit under the Act, the covered person will be entitled to protection only up to the actual amount owed.

Furthermore, the maximum protection available to each covered person remains the same, regardless of the number of contracts through which he or she has a claim.

8. IF A HUSBAND AND WIFE EACH INDIVIDUALLY OWN A COVERED POLICY, IS THE PROTECTION UNDER THE ACT PROVIDED TO EACH OF THEM?

Yes. As long as the residency requirements are met, both would be entitled to the protection provided by the Act, up to the maximum amount.

9. WHY DOESN'T MY INSURANCE COMPANY ADVERTISE THE FACT THAT ITS POLICIES AND CONTRACTS ARE PROTECTED UNDER THE ACT?

PROTECTION FOR YOU AND YOUR INSURANCE POLICY
THE WASHINGTON LIFE AND DISABILITY INSURANCE GUARANTY ASSOCIATION

Under Washington law, insurance companies are prohibited from advertising that their policies or contracts may be covered under the Act.

You should not rely on coverage under the Act when selecting an insurance company.

10. WHY HASN'T MY AGENT TOLD ME ABOUT THE GUARANTY ACT?

Your insurance agent is subject to the same prohibitions as your insurance company. As a representative of the company, an agent must exercise great care when soliciting business and consequently, will generally not discuss the subject of a guaranty act with clients.

11. WHO SHOULD I CONTACT IF I BELIEVE THERE HAS BEEN A VIOLATION OF THE ACT?

You should contact the Association if you believe your rights have been violated under the Act. If you are dissatisfied with the actions of the Association, you may also contact the Office of the Insurance Commissioner.

Life Insurance *Buyer's Guide*

Before You Buy Life Insurance

Understand What Life Insurance Is Life insurance pays a death benefit if you die while the policy is in effect, in exchange for premiums you pay before your death. You can use the death benefit to protect against financial hardships such as loss of your income, funeral expenses, medical or nursing care expenses, debt repayments, and child care costs after your death. You can get information from the NAIC InsureU Life Insurance website -- www.insureuonline.org/insureu_type_life.htm

If You Need Life Insurance, Decide How Much Coverage to Buy

How much life insurance to buy depends on the financial needs that will continue after your death. Examples include supporting your family, paying for child(ren)'s education, and paying off a mortgage. Some questions you may want to ask about your own needs include:

- Does anyone depend on me financially?
- How much of the family income do I provide?
- How will my family pay my final expenses and repay debts after my death?
- Do I want to leave money to charity or family?
- If I have life insurance through my employer, is it enough to meet my financial obligations?

The answers to these questions can help you decide how much coverage you need. An insurance agent, financial advisor, or insurance company representative can help you evaluate your insurance needs and give you information about available policies.

If You Already Have Life Insurance, Assess Your Current Life Insurance Policy

It's important to compare your current policy with any new policy you might buy. Keep in mind that you may be able to change your current policy to get benefits you want. Also, know that any changes in your health may impact your ability to get a new policy or the premium you'll pay. Don't cancel your current policy until you get the new one.

Also, while you may have free or low-cost life insurance through your employer, the death benefit usually is less than you need. And if you leave the employer, you may not be able to take this coverage with you.

Life Insurance

Buyer's Guide

Compare the Different Types of Insurance Policies

There are many types of life insurance policies. You should choose a policy with features that fit your individual needs. Some things to consider are:

- **Term Insurance vs. Cash Value Insurance.**

Term insurance is intended to provide lower-cost coverage for a specific period of time ("a term"). If you want coverage for a longer period of time, such as for your lifetime, cash value insurance may be more cost effective. Most term policies don't build up cash values that you can use in the future.

- **Renewable Term vs. Non-renewable Term.** Most term life insurance coverage can be continued ("renewed") at the end of the term, even if your health has changed. If you renew a term policy, the new premiums are higher. Ask what the premiums will be before you renew the policy. Also ask if you'll lose the right to renew the policy at a certain age. Non-renewable term policy can't be continued. You'll have to apply for a new policy if you still want coverage.
- **Whole Life vs. Universal Life.** Whole life and universal life insurance are two types of cash value insurance. A key difference between the two is how you pay for the coverage. You typically pay premiums for whole life insurance according to a set schedule. In a universal life policy, you can choose a flexible premium payment pattern as long as you pay enough to keep your policy in force.
- **Variable Life vs. Non-variable Life.** The investments you will choose (such as stock and bond funds) in a variable life policy directly impact your cash value. These policies have the greatest potential to build cash value but also the greatest risk of losing cash value. Non-variable life policies often have guaranteed minimums for some features (interest or cash value, for example) but not all. Non-variable life policies also have less potential to build cash value than variable life policies.

Life Insurance *Buyer's Guide*

Be Sure You Can Afford the Premium

Before you buy a life insurance policy, be sure you can pay the premiums. Can you afford the initial premium? If the premium increases later, will you still be able to afford it? The premiums for many life insurance policies are sensitive to changes in the company's investment earnings, claims costs, and other expenses. If those are worse than expected, you may have to pay a much higher premium. Ask what might be the highest premium you'd have to pay to keep your coverage.

Understand the Application Process

You can apply for life insurance through life insurance agents, the mail, and online. In addition to basic information, such as your name, address, employer, job title, and date of birth, you'll be asked for more personal information. Depending on the type of policy, the insurer may require you to see a doctor, answer health-related questions, or have a medical professional come to your home or office to assess your health. Usually a policy that doesn't require detailed health information will cost more and provide less coverage than one that does.

It's important to tell the truth on the application. The insurance company will check your answers so review the application before you sign. If the insurance company discovers false statements on your application after it issues your policy, it could reduce or cancel your coverage.

Choose a Beneficiary

A beneficiary is the person(s) or organization(s) you name to receive your life insurance policy's death benefit. You'll need to know the Social Security or tax identification number for all beneficiaries. Experts advise you not to name a minor child as a beneficiary. Insurance companies won't pay a minor. Instead, consider leaving the money to your estate or trust

Evaluate the Future of Your Policy

Does your policy have a cash value? In some cash value policies, the values are low in the early years but build later on. In other policies the values build up gradually over the years. Most term policies have no cash value. Ask your insurance agent, financial advisor, or an insurance company representative for an illustration showing future values and benefits

Life Insurance

Buyer's Guide

After You Buy Life Insurance

Read Your Policy Carefully

After you carefully read your policy, you should be able to answer the following important questions:

- Is your personal information correct?
- Do premiums or policy values vary from year to year?
- What part of the premium or policy value isn't guaranteed?
- How will the timing of money paid and received affect any interest the policy might earn?

Your insurance agent, financial advisor, or an insurance company representative can help you understand anything that isn't clear.

If you're not satisfied with your new policy, you can return it for a full refund within a certain period, usually 10 days after you receive it. The review period usually is stated on the first page of the policy.

Review Your Life Insurance Program Every Few Years

Review your policy with your insurance agent, financial advisor, or an insurance company representative every few years to keep up with changes in your policy and your needs.

- Have the premiums or benefits changed since your policy was issued?
- Do the death benefits still meet your needs?
- Do you need more or less coverage after life events, such as birth, adoption, marriage, job change, death, or divorce?

The insurance company can provide policy statements and illustrations to help with this review. As the policy owner, you can change beneficiaries at no cost. Be sure to review your beneficiaries every few years, especially after major life events that affect your life insurance needs.
